Spring Choral Concert 1963

The Spring Choral Concert was presented May 10, 1963, in the Newark High School Auditorium by the Newark Girls' Glee Club and the Newark A Cappella Choir.

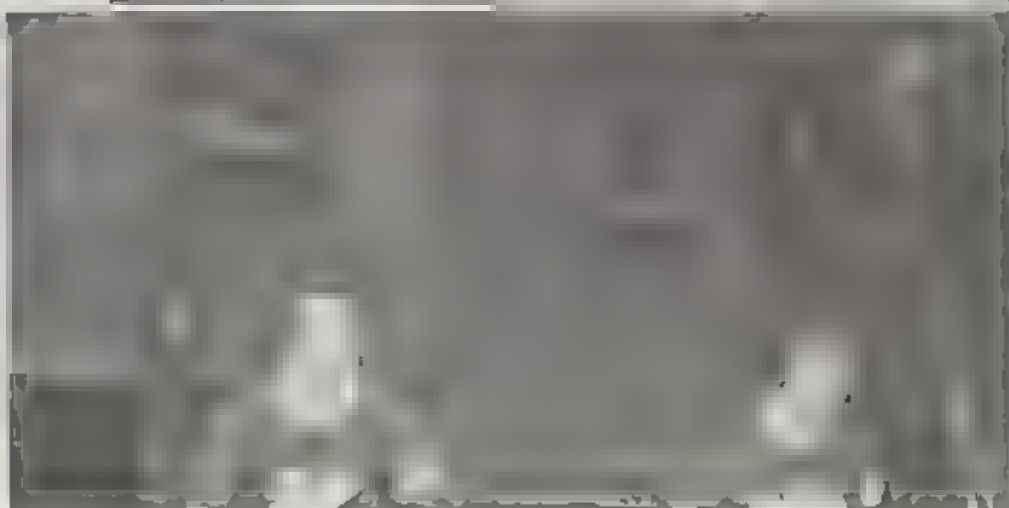

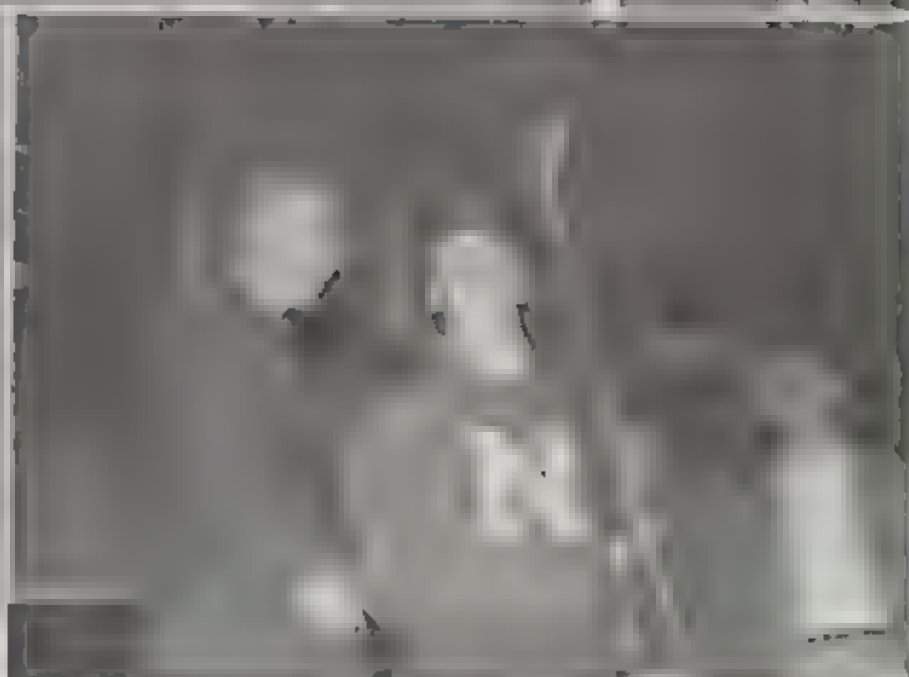

The program opened with a variety of sacred music by the Choir, followed by selections from Girls' Ensemble, Madrigal Singers, and Boys' Octet. The delightful music from Snow White and the Seven Dwarfs was sung by the Girls' Glee Club.

After intermission, the Choir came back to present "An Evening With Lerner and Loewe," which concluded the program.

they said,

"Let's Go C.O.L."

AND WE DID!

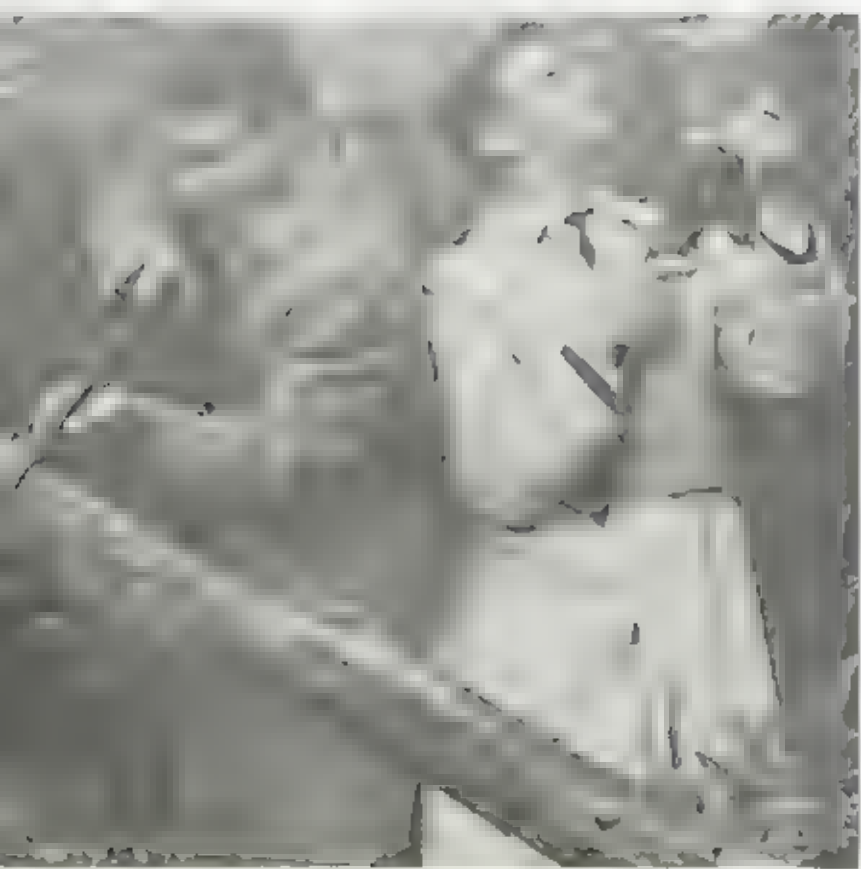

OPENING NIGHT

Opening night is a wonderful time,
 With lights and people of every kind,
 The cast is nervous, but ready to go,
 And everyone knows there will soon be a show.
 While the cast is waiting
 For the moment to arrive,
 They all bow their heads
 And close their eyes,
 They all say a prayer,
 Each and every one,
 That the show will come off
 With incidents none,
 Rehearsals were long,
 And some were a fright,
 But now it is here: "Opening Night!"

--Dianna Fairall

Homecoming 1963

SEATED: Lynn Kinsey, queen, Melinda McLaughlin, maid of honor. STANDING: Jane Neutzling, first attendant, Kathy Allen, third attendant, Joan Neutzling, second attendant.

The N. H. S. football team gave the Homecoming weekend a great start with a Newark victory over Chullicotte on Friday, October 17, 1963. Another highlight of the weekend was the Homecoming Dance held October 18, 1963, in the Newark High School Gymnasium. Approximately 350 couples filled the gym as queen Lynn Kinsey and her court Melinda McLaughlin, Jane Neutzling, Joan Neutzling, and Kathy Allen, were introduced at intermission.

The theme of the dance, Autumn Leaves, was carried out in colorful murals and harvest scenes throughout the building.

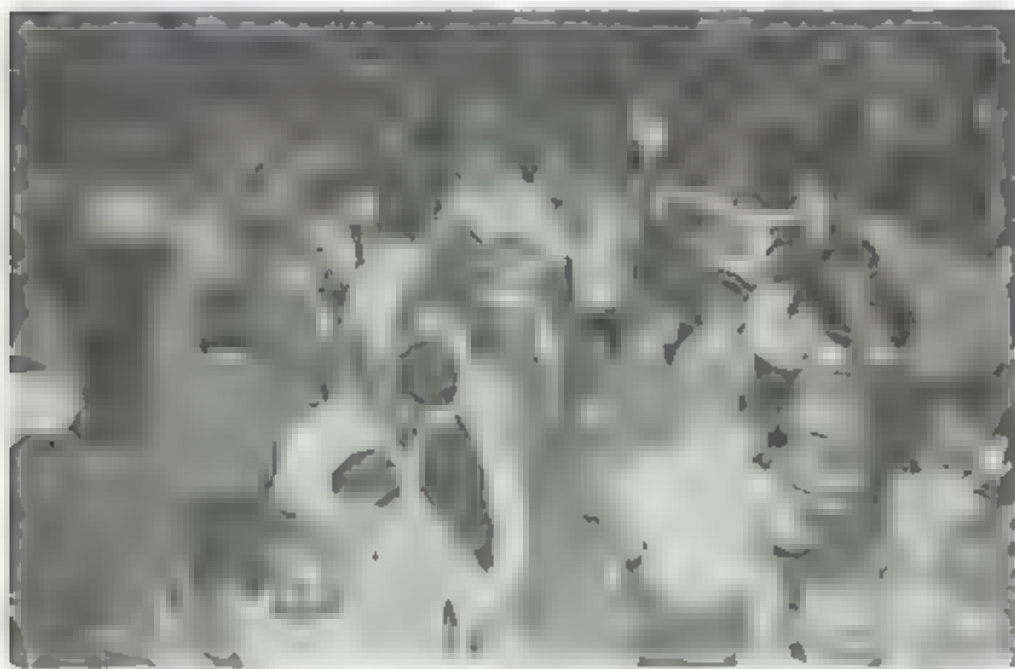

Brigadooners after a fine opening night performance.

Mr. Mason seems to enjoy himself at cast party of Brigadoon.

Senior girls watch homecoming contest.

After-game dances are crowded, but fun!

MIDDLETOWN

The Middletown powerhouse had its hands full as a spirited, all out effort by the Wildcats nearly gave the Crimson and White an upset win. Being down 16 to 0 through most of the first half, the Cats roared back in the late first and entire second half with a dazzling display of football. Newark's first tally came on a Hunter to Pound pass. In the second half while the defense was holding the Middies eighty yards rushing, some pass completion and one first down the offense was rolling. Newark's speedy junior halfback, Ben Franklin, tied it up with a 55 yard jaunt to pay dirt. Middletown scored after a blocked Newark punt on a scoring march which ended with Hunter hitting Phil Allen with a pass in the end zone. Fifty-one seconds remained. The all important points after failed leaving Newark on the short end.

LANCASTER

The Wildcats traveled to Lancaster to nail down at least part ownership of the 1963 C. O. L. football title. The hard fought victory over the Cales boosted the Cat's record to a perfect 4-0 in league play and a 5-3 overall mark. Newark opened the scoring in the first quarter as Phil Allen recovered a fumbled punt on the Lancaster five yard line and Hunter raced around left end on the next play for the score. The try for extra points was blocked and Newark led 6-0. The remainder of the first half was dominated by an alert, hard hitting Newark defense. The Cats picked off three Lancaster passes to erase as many scoring threats as the first half actioned. Lancaster received the second half kick-off and never gave up the ball until they capped a fifty-three yard drive with six points. The attempt for the P. A. T. was no good and the score remained knotted at 6-6. Dick Voris jumped on a scale fumble, which triggered the winning score.

Tom Coventry got the ball and he romped to pay dirt with 1:40 left in the game. The Gales refused to die, however a last ditch effort failed as Steve Schaller broke up a pass in the end zone. The Cats returned home with another win and began to prepare for the Blue Devils.

IRONTON

The Wildcats C.O.L. opener was a preview of things to come. A strong well balanced Newark offense coupled with a weak Ironton defense gave the Cats a relatively easy 34 to 18 victory over the Tigers.

Newark's scores come on two runs by Larry Hunter of two and thirty-three yards, a sixteen yard scamper by Phil Allen, and plunges one and three yards by Tom Coventry. "Tom the Bomb" set up one of his scores with a fifty-two yard carry.

MANSFIELD MALABAR

The Cats ended their '63 season with a hard fought victory over the Falcons of Mansfield Malabar. The victory brought their season record to 6-3-1 and gave the Wildcats, as well as many local fans, the most rewarding season since 1959. Again Newark's rugged defensive unit was a deciding factor of the game, as they halted Falcon scoring threats from 20 and 4 yards. The Newark attack featured a smashing ground assault as they marched 96 and 80 yards for scores.

For

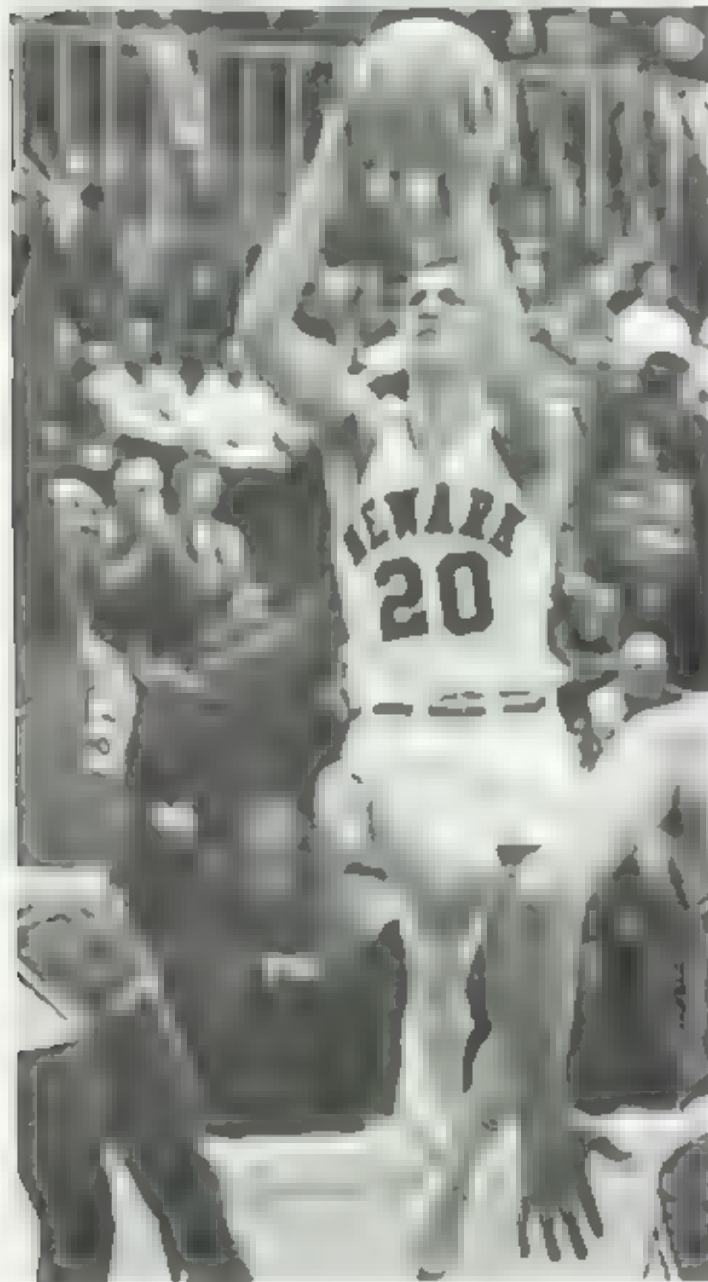

Newark

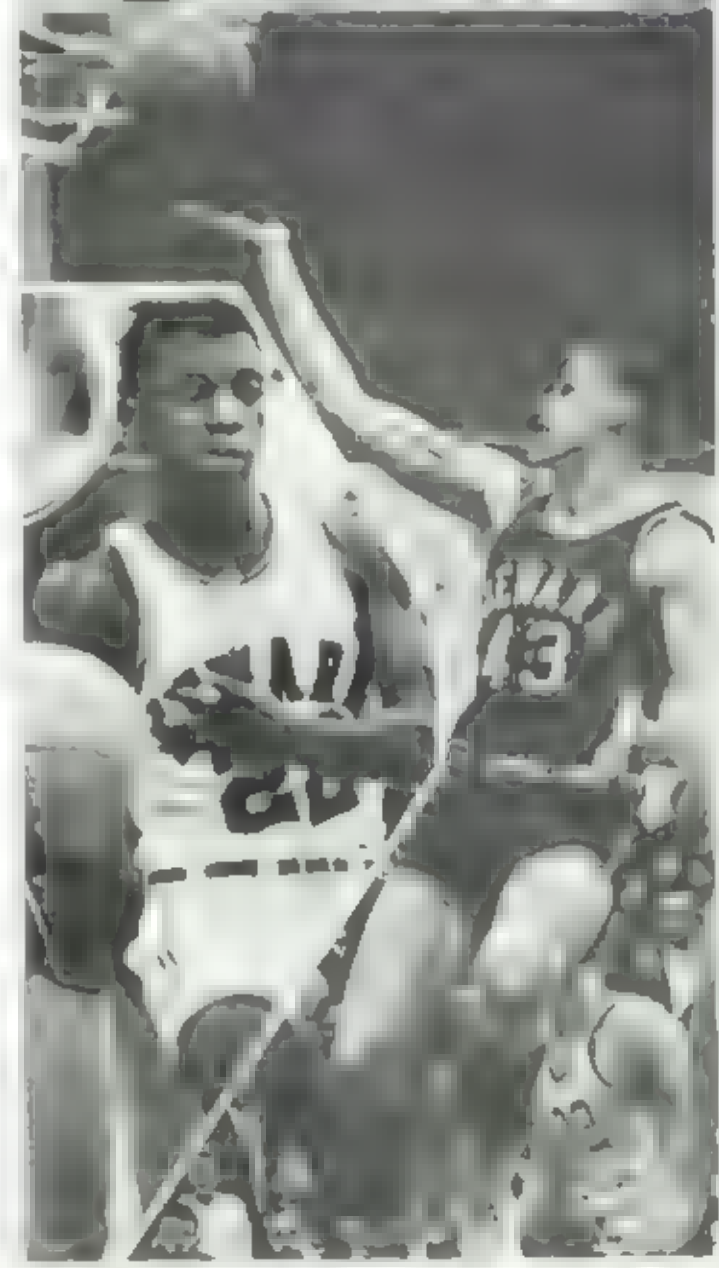

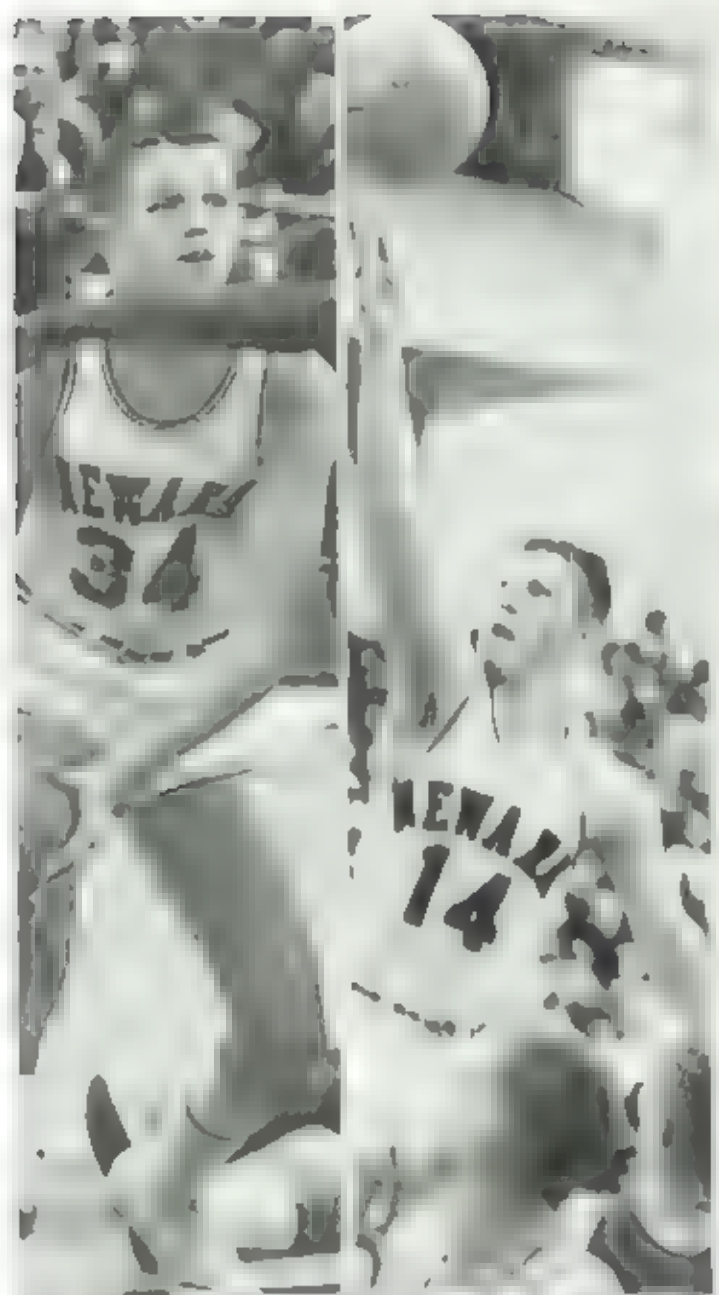

The Wildcat team with a strong defense and quick-moving offense took the C. O. L. title this year with a record of 8-2. After the defeat by Canton Lehman, the 'Cats got rolling and defeated all the teams in their path, but ran into a few close ones on their way. The first C. O. L. game with Marietta startled the Wildcats but they came back to win by a 56-53 Margin. The victory at Zanersville, won in an overtime, was the thriller of the year. The 'Cats dominated the overtime having control of the ball for the full three minutes. It was a wonderful season for the three seniors, Fred Lentz, Mike Smith, and Tom Corder. The team received other honors when Fred Lentz was voted the Most Valuable Player from the C. O. L. teams. Roger Markle, for making the most points in the C. O. L. point race, was honored with the Gary Hall Memorial Trophy. Jack Downing was elected the the second team while Mike Smith, and Bobby Sellars received honorable mention. Roger Markle also received a great honor when he was voted to the first team All-Ohio.

The purpose of this organization is to broaden the students' knowledge beyond the material learned in class. This club meets once a month and offers many beneficial programs. Among the many activities planned for this year are picnics, banquets, films, and talks.

Audio Visual

This group is designed as a service club to assist teachers with audio-visual equipment. The boys are assigned to the library each period and it is from this room that they check out equipment for various rooms that they check our equipment for various rooms on the campus set it up, and run the equipment if necessary. All of the boys have had previous experience in this work while they attended junior high school.

Among the service rendered at Newark High School, the Library assistants perform one of the most important. The assistants, chosen according to grades and interests, assist Miss Helen Dorn and Mrs. Lorraine Langlois in the school library. The girls do, with such tasks as charging books, checking attendance, preparing over-due books notices, delivering attendance slips to teachers, and helping with the layouts for the bulletin boards and display cases in the library.

The main event of the year was the Ohio Student Librarians' Association Convention, which was held at McChingam College. Besides having a regular meeting once a month, the club held special meetings for book reviews and talks on library interests. The Library Club closed the year with a picnic at Dawes Woods.

Student Religious Fellowship

This is an organization interested in creating stronger religious attitudes and a mutual understanding among people of different beliefs. Since the school schedule involves so much time each day, there is a need for an organization on campus to tie religion more closely to everyday life. This club fills this need. It is hoped that it will help us to develop a higher standard of conduct. It is open to students of a religious creed and to student having no acknowledged creed.

Choral music can provide that means of self-expression which every individual keenly needs and affords an opportunity for real social development. Such participation gives poise, develops an ability to appear at ease in public, and can make it possible for the student to operate effectively as a member of society. Singing must be an emotional expression if it is to be worth while, and choral singing can only be great when there is understanding, sympathy, and unanimity in expressing emotions. Choral activities provide not only for the development of individual leadership and initiative, but offers, in an equally unique fashion, a means whereby individual ability can be made to contribute to the achievement of the group as a whole.

"In Giving We Receive"

The common purpose of all education is to bring young people experience that will enrich their lives, make them better and more wholesome people, more useful citizens, and above all, to build character. Character has been described as the sum total of personality including both ethical and moral aspects. Singing gives an experience in blending voices, it develops self presence and poise, student leadership, musicianship, and independence in performances.

The 1963-1964 school year was a busy one for the A Cappella Choir. Several Newark churches invited the choir to participate in their church services. The choir participated in the Lerner and Loewe musical, Brigadoon, the Annual Christmas Concert, provided Christmas caroling for the little schools and the Hub, Easter Assembly Service, Spring Choral Concert, and the Baccalaureate Service. The project of collecting toys and animals for the Starlight classes and the Children's Home proved very worth-while.

The interpretation of the small vocal ensembles has been, generally, to provide an opportunity for those students with advanced understanding and ability to experience music which lends itself to a greater sensitivity of ensemble, and which provides an advanced experience technically and intellectually. For many years the small vocal ensemble has served as an enrichment of musical experience for those who were gifted in that particular area.

When young people sing worthy choral music well, with beautiful tone quality, good diction, and a full understanding of the music, a joy peculiar unto itself is created in the minds and hearts of the singers and those who listen to them.

This group was organized by the Student Council to encourage and to acknowledge scholastic excellence among sophomores. A point average of 3.3 reckoned on the basis of first semester grades, is the

entrance requirement. Since the organization is strictly honorary, there are no dues and no meetings, unless the members is recognized at the annual Awards Assembly, where he receives a certificate.

Interest in this organization runs high--and rightly so--because of the recognition experienced for having achieved so excellently in the academic areas. It is also a reasonable expectation that students who have achieved so well academically will also reflect credit upon themselves, their homes, their community by being living examples of high quality character, leadership, and service.

Eligible candidates for membership in the National Honor Society are seniors who have attained a 3.3 or higher, grade point average in subjects in which one half unit of credit is earned per semester during five semesters of senior high.
